

DISCLOSURE OF CONGRESSIONALLY DIRECTED SPENDING  
ITEMS

The Constitution vests in the Congress the power of the purse. The Committee believes strongly that Congress should make the decisions on how to allocate the people's money. As defined in Rule XLIV of the Standing Rules of the Senate, the term "congressionally directed spending item" means a provision or report language included primarily at the request of a Senator, providing, authorizing, or recommending a specific amount of discretionary budget authority, credit authority, or other spending authority for a contract, loan, loan guarantee, grant, loan authority, or other expenditure with or to an entity, or targeted to a specific State, locality or congressional district, other than through a statutory or administrative, formula-driven, or competitive award process.

For each item, a Member is required to provide a certification that neither the Member nor the Member's immediate family has a pecuniary interest in such congressionally directed spending item. Such certifications are available to the public on the website of the Senate Committee on Appropriations (<https://www.appropriations.senate.gov/congressionally-directed-spending-requests>). Following is a list of congressionally directed spending items included in the Senate recommendation discussed in this report along with the name of each Senator who submitted a request to the Committee of jurisdiction for each item so identified. Neither the Committee recommendation nor this report contains any limited tax benefits or limited tariff benefits as defined in rule XLIV.

CONGRESSIONALLY DIRECTED SPENDING ITEMS

[In thousands of dollars]

Agency	Account	Location	Project	Amount	Requestor(s)
Bureau of Indian Affairs	Operation of Indian Programs	AK	Alaska Native Heritage Center for Lach'qu Sukdu Research Program	631,000	Murkowski
Bureau of Indian Affairs	Operation of Indian Programs	AK	Aleutian Pribilof Islands Association, Inc. for Living Languages	210,000	Murkowski
Bureau of Land Management	Management of Lands and Resources	NM	Bureau of Land Management for Caja del Rio Remote Observation Equipment.	150,000	Henrich
Environmental Protection Agency	Science and Technology—Research: National priorities.	DE	Center for PFAS Solutions for Mobile Filtration System for Training Water Operators.	260,000	Carper, Coons
Environmental Protection Agency	Science and Technology—Research: National priorities.	DE	The University of Delaware for Study Addressing PFAS, Nitrates, and Emerging Pollutants Concerns.	120,000	Coons
Environmental Protection Agency	Science and Technology—Research: National priorities.	IL	Northwestern University for Research on Rapid In-Home Lead Tests	500,000	Durbin
